A-A Island Auto Rental Announces a New Location at the Martha's Vineyard Airport Solidifying Itself as the Leading Car Rental Company on Martha's Vineyard.

Edgartown, Massachusetts, October 24, 2007 – Whether visitors of Martha's Vineyard arrive via ferry or plane, A-A Island Auto Rental now has 4 convenient locations to rent a vehicle. The newest location at the Martha's Vineyard Airport is scheduled to open in January 2008. This new airport location joins A-A Island Auto Rental's 3 other offices in Vineyard Haven, Oak Bluffs and Edgartown.

To date, A-A Island Auto Rental has serviced airport passengers with advance reservation and shuttle service to its Edgartown office. "This new airport location provides our clients with ready cars for a more efficient way to start their vacation" says Robert Stalvey, District Manager of A-A Island Auto Rental.

"A-A Island Auto Rental has always provided me with clean cars and fast and friendly service, however the airport location will give me greater flexibility should I decide to arrive by plane", says Dan Hughes a frequent visitor.

Reservations can be made immediately through the online reservation system at www.mvaautorental.com
